## Cutting guide

Upper front, lower front, upper back and lower back: cut one piece on the fold

Mark gathering position as indicated on bust line for upper and lower front  
1cm seam allowance used throughout unless otherwise specified.

## Sew a night dress

1 Print the pattern at [www.sewmag.co.uk/templates](http://www.sewmag.co.uk/templates). Cut the pieces. Gather the upper front piece at the bustline between the notches.

2 Pin to the lower front piece, ease gathers up to match notches, and tack. Sew a 1cm seam. Clip the curved seam allowance.

3 With right sides together, sew the upper and lower back pieces together. Press the seams upwards.

4 Take your length of stretch lace trim and press the piece into a curve to match the front seam.

5 Take the lace trimming and sew it below the seamline on the front and back of the nightie.

6 Sew the front and back of the nightie together at the shoulder seam. Press the seams open.

7 Pin the lace trim to the right side of the neck and armhole edge, tack and sew in place. Fold the lace to the reverse side. Press.

8 Topstitch on right sides, close to edge. Sew a dart at the V points of lace. Sew the back to the front at side seams, right sides together.

9 Attach lace to right of lower edge, fold to back; topstitch. Gather shoulder seams with shirring elastic. Sew with a long stitch length.

## Sew advice

### MASTER JERSEY

When cutting out your pieces, fold the fabric in half right sides together, with the selvedges aligned at the centre. Lay your fabric on a sheet or blanket to stop it moving when cutting out. You can leave edges raw or finish with an overlocker if the fabric requires it.
